WALL COVERING COLLECTIONS

ARMY OF ARTISANS

THE INTRICATE BEAUTY OF WOOD MOVES TO THE WALL

We manufacture our architectural wood wall panels in our state of the art workshop in Mexico. It's here that our dedicated craftspeople free the beauty of wood from the floor, expanding it in all directions and dimensions.

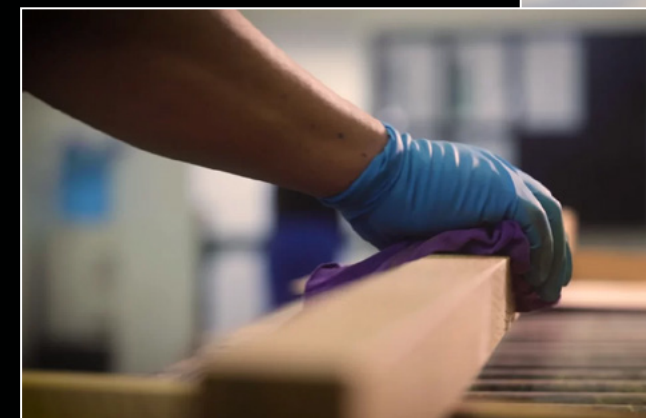

DUCHATEAU WALL COVERING COLLECTIONS

3D WOOD PANELS

Our complex patterns of Signature DUCHATEAU wood visuals create unique textures that bring individuality to any space. Wall panels come pre-mounted to backing panels for ease of installation.

HANDCRAFTED

THE PROCESS

Discovering inspiration in the process itself, our team focuses their craft to create incredible pieces of art - true masters in the industry, from concept to completion.

OAK, LINAIRE

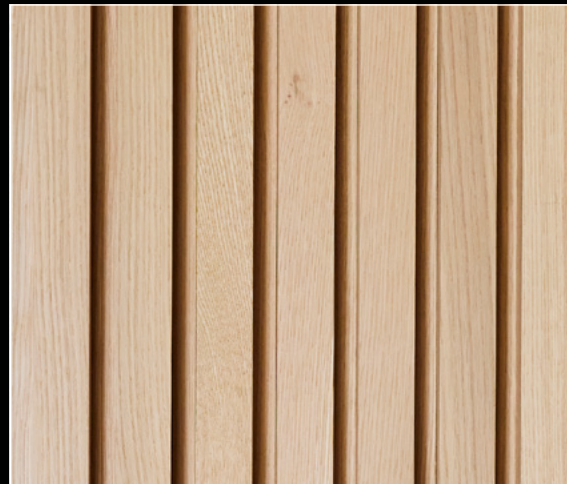

LINAIRE

Born from the simple beauty where line and air meet. Where the harmony of light and shadow enhance nature's expression through exceptional design.

Our Linaire Collection embodies the culmination of passion and artistry through architectural wood slat wall panels in a 10-foot, seamless length.

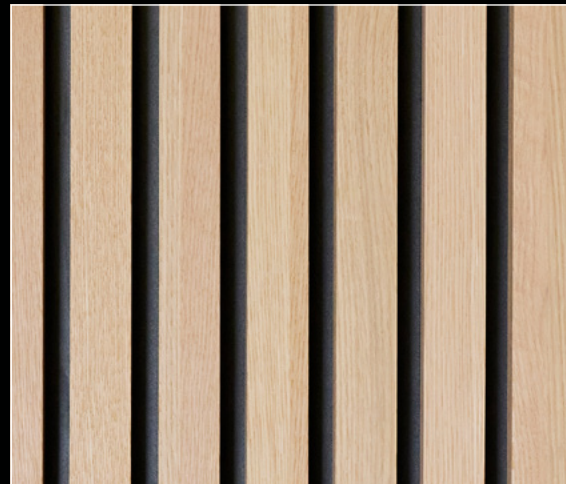

LINAIRE

The material is finished on all sides, creating a presence that can be felt in spaces intimate or grand - a refined architecture that fills its surrounding spaces with life.

The Shadow style wears a felt layer of acoustic insulation that creates this collection's alternate identity - a professional complement as much as it is stylistic.
